

Bake-able!

- The heart & soul of our ALL BAKE-ABLE BREADING system is our batter. It has been specially formulated to allow our product to actually fry in the oven.
- Next is the double toasted bread crumb which creates an exceptional deep-fried taste and light crispy texture without frying.
- Our product has never been fried, 50% less oil than pre-blanching or pre-cooked. Great holding time. Developed for the customer who desires to use of the oven exclusively.
- Flaked patties seasoned with special herbs and spices. Totally unique batter & breading system that allows the operator the ability to BAKE, hassle free. 50% less oil than pre-blanching or pre-cooked.
